

COURSES FOR EDUCATORS AT AU HEALTH SPRING 2017

ACTIVATING TEACHING

Active learning has to do with students doing something and reflecting upon what they did. We will work with the alignment between learning objectives, activities, and assessment, and discuss the tools that can be used.

Time: March 29, 2017 at 14:00 – 16:00
Course leader: Peter Musaeus

ASSESSMENT – MULTIPLE CHOICE E-LEARNING COURSE

Content: Multiple choice Item types, One-best-answer (OBA) items, general recommendations and OBA rules, technical flaws, quality assurance, item analysis. A self-study e-learning course of 2-5 hours.

Time: Starts February 20, 2017
Course leader: Mads Ronald Dahl

BLACKBOARD

Basiskursus: Du får et overblik over systemet og dets principper.

Udvidet kursus: Du introduceres til mere avanceret Blackboard-funktionalitet og får ideer til, hvordan du kan integrere Blackboard i dine undervisningsforløb.

Tidspunkter:

Basis: 7/2 2017 kl 9-11 eller 13-15

Udvidet: 21/2 2017 kl 10-12 og 13-15

Kursusleder: Janne Saltoft Hansen

TEAM-BASED LEARNING

This workshop introduces Team-based Learning (TBL). TBL is a learner-centered, instructor-directed strategy for small-group active learning in large group educational settings.

Time: February 1, 2017 at 8:30 – 12:00
Course leader: Mette Krogh Christensen

PROBLEMBASERET LÆRING (PBL) SOM AKTIVERENDE UNDERVISNING

Formålet med kursusdagen er at styrke deltagernes kompetencer som undervisere med problembaseret læring som aktiverende undervisningsredskab.

Tidspunkt: 7/3 og 21/3 2017

Begge dage kl. 9.15 – 12.00

Kursusleder: Peter Musaeus og
Anne-Louise Bjerregaard

FEEDBACK TO IMPROVE STUDENT LEARNING

This workshop focuses on how to use feedback to improve student learning. The goal is to make the participants able to use different kinds of feedback as an integrated part of their teaching.

Time: January 18, 2017 at 8:30 – 12:00
Or April 24, 2017 at 12:30 – 16:00
Course leader: Rune Dall Jensen

CASE-BASED LEARNING

An introduction to case-based teaching and how to use discussion-based methods in teaching.

Time: March 15, 2017 at 14:00 – 16:00
Course leader: Peter Musaeus

MENTIMETER STUDENT RESPONSE SYSTEM

Workshop on the use of the system Mentimeter / AU VOTE and how to make good questions.

Time: May 16, 2017 at 13:15 – 16:00
Course leader: Mads Ronald Dahl

TAILORED COURSES

All courses can be scheduled and tailored for a group of educators based on the group's needs.
